INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to applicant's duty of disclosure requirements under 37 C.F.R. §§1.56, 1.97 and 1.98, applicant submits the following documents and information which may be considered material to the examination of this application. These documents and information are listed on the accompanying forms PTO/SB/08A and PTO/SB/08B (substitute for form PTO-1449). A copy of each of these documents and information is provided.

For certain information obtained from the world wide web, applicant is unable to identify the date upon which that information was available. However, in all such cases, the cited web pages and the products advertised thereon were available prior to the filing date of this application.

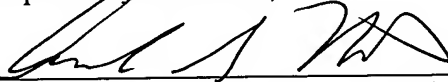

PCT publication WO 00/66065 A1 is a Japanese language document. An English language translation of this document is not available to applicant. This document refers to a foot sole massager which comprises a massage soleplate and a massage rod. The massage soleplate includes some holes. Balls corresponding to the holes in size are arranged in the holes. Protrusions such as teeth may be provided on the massage soleplate. There are some curved teeth on the centre of the massage rod. Applicant is unaware of any disclosure in WO 00/66065 that relates to the heating or cooling of the balls, rod and/or soleplate.

Applicant reserves the right to: 1) establish the patentability of the claimed invention over any of the documents or information provided herewith; 2) prove that any document or information may not be prior art; and/or 3) prove that any document or information may not be enabling for the teachings purportedly offered.

It is respectfully requested that the Examiner consider the documents and information presented herewith in examining the patentability of the presently claimed invention and indicate such by initialing and returning a copy of the enclosed substitute PTO-1449 form. It is also requested that the Examiner list each of these documents and information in the References Cited section of any patent that issues from this application.

This Information Disclosure Statement is being submitted prior to the mailing of a first Office Action on the merits. Accordingly, no fee or certification is believed to be required. 37 C.F.R. §1.97(b)(3).

Respectfully submitted,

Andrew S. Marks (Reg. No. 33,259)
